*all locations are in Geneva unless noted; (A) indicates alcohol in drink

Begin the day, at 10 am, with FreshGround Roasting's Coffee Presentation at Geneva Public Library. Eric Andersen, owner, will present an entertaining talk about the background of coffee and how it's grown, processed and sourced and why it's important to know where your coffee comes from. After, the Coffee Cup Crawl will take place from 11 am-3 pm around the Fox Valley.
